FREE LUNCH & LEARN POSITION YOUR BUSINESS FOR SUCCESS IN 2023

Rising interest rates, supply chain issues, inflation, labor shortages. Small businesses and contractors are taking a hit on all fronts right now BUT those that know how to position themselves correctly can have success and growth despite a challenging economy.

Start your new year with some new info to help you build a more resilient business that will not only survive, but thrive, during these volatile economic times.

JAN 27 ■ 12 - 1 PM
